Use of Guidance Material for Moving and Handling People: Barriers and Facilitators
- An Experience Exchange

Massey University:
Mark Lidegaard
Dr Kirsten B. Olsen
Professor Stephen J. Legg

Centre for Ergonomics, Occupational Safety and Health
1. Selected preliminary results from the Questionnaire Survey (5 minutes)

2. Experience Exchange about barriers and facilitators when using guidance material on moving and handling people (20 minutes)

Learning objectives

- Awareness of different guidance material for MHP
- How do others deal with challenges related to MHP guidance material
Aim of the Project

Who have been reached by the MHP Guidelines?

Who have used the MHP Guidelines?

How has the MHP Guidelines been used?

What has influenced the use of the MHP Guidelines?

Has the use of the MHP guidelines reduced risk, prevalence or severity of MSD related to MHP?

Have MHP related claims at ACC changed since the launch of the Guidelines?

To evaluate the **Uptake, Use and Impact** of the MHP Guidelines
Stage 2: Questionnaire Survey

- Internet-based survey questionnaire
  - Public & Private Hospitals
  - Residential & Aged Care
  - Home & Community Care

- Managers
- People who handle people
- Senior management
- Equipment & Facility design
- Education & Training Institutions
Preliminary results

Awareness of any ACC guidelines for moving and handling people?

(N=306)

- Yes, 68%
- No, 17%
- Do not know/Unsure, 15%
Preliminary results

Use of section in the MHP guidelines 2012? (N=191)

- Yes, 61%
- No, 28%
- Do not know/Unsure, 11%

Preliminary results

Use of other MHP guidance material?  
(N=305)

- Yes, 61%
- No, 27%
- Do not know/Unsure, 12%

Other Guidance Materials used:
- Textbooks
- O'Shea ‘No lift programme’
- The Home Care Guidelines
- Locally developed policies
- The internet and online journals
Experience Exchange

Divide into smaller focus groups 12 minutes
• Which MHP guidance material do you use?
• Describe your experience with using MHP guidance material?
  • What acts as barriers or facilitators?
Visit another group 8 minutes
Experience Exchange

1 MHP guidance material you use

2 How have you used the MHP material

3 Factors that help/facilitate use

4 Barriers to use of MHP guidance material

5 Other issues
