Waves of Occupation

A thesis presented in partial fulfilment of the requirements for the degree of Master of Arts in
History at Massey University

David Mackintosh

2014

Acknowledgments

I wish to acknowledge the support of my supervisor Michael Belgrave, and that of Hawke's Bay historian, Patrick Parsons. Patrick has a private collection of Colenso and other historic diaries, and kindly made some available for this thesis.

My wife Kerry's input into formatting the script and solving the many computer glitches that have occurred along the way, was invaluable.

The ongoing encouragement and gifts of books from my early primary school teachers, Sir Hirini and Lady June Mead, has been immensely appreciated.
