

ON-THE-TO EDITING - INDUCTION

The diagram shows a hand-drawn form with four main columns: **INDUCTION**, **IDENTIFICATION**, **LIFE DATA**, and **PEDIAREE**. Each column has a small icon in its header (a square with diagonal lines, a checkmark, and another square with diagonal lines respectively). The **IDENTIFICATION** column contains a yellow box with 'EID #' and a checkmark icon. The **LIFE DATA** column has rows for 'SEX' and 'DOB'. The **PEDIAREE** column shows a vertical stack of four empty boxes connected by lines. Annotations include 'TASK SPECIFIC? / SAVED TEMPLATE' pointing to the top and 'EDIT DATA ON-THE-Go!' pointing to the **IDENTIFICATION** column.

INDUCTION	IDENTIFICATION	LIFE DATA	PEDIAREE
