

Appendix 9. Participant consent form for interviews

Research into the experiences of
men with cancer - Interviews

**Massey
University**

Participant consent

I have read the information sheet for this research, including the 'Participants' safety and rights' section and discussed it with researcher Heather Heron-Speirs. **I consent to participating** in this research.

When the research is complete, **I would like a copy of:**

☐ A lay version of findings (on paper)

☐ The full reports/theses (electronic)

I would / would not like a CD of this interview.

Name:.....

Address:.....

Phone and email:.....

Signature and date:.....

Nominated pseudonym:.....
