

Appendix 16. Participant consent form for team discussions

Research into the experiences of
men with cancer – Team discussions

Participant consent

**Massey
University**

I have read the information sheet for this research, including the 'Participants' safety and rights' section and discussed it with researcher Heather Heron-Speirs. **I consent to participating** in this research.

When the research is complete, **I would like a copy of:**

- ☐ A lay version of findings (on paper)
- ☐ The full reports/theses (electronic)

Name:.....

Address:.....

Phone and email:.....

Signature and date:.....
