ACKNOWLEDGEMENTS

The completion of this thesis has only been possible due to the assistance of many people. Firstly, I would like to thank my family who have shown constant support and interest throughout the process. I would also like to thank the staff of the Alexander Turnbull Library, National Archives and Massey University for the time and effort they put in during the research stage of my thesis. Finally, I would like to thank my supervisor Dr. Geoff Watson for his ongoing guidance, encouragement and advice.
