

## Corrigenda

### The Prevalence of Dementia and Cognitive Impairment in our Acute Medical Admissions

SHARON COWLEY, MUHAMMAD GHAZNAIN, AHMAD BASIRAT, MARGARET KENNELLY, MARY TERESA DONNELLY

*Age and Ageing* (2017), doi:10.1093/ageing/afx144.164

The authors would like to apologize for an error in the spelling of Ahmad Basirat's name: this has now been corrected in the original manuscript.

---

doi: 10.1093/ageing/afx178

### STOPP/START criteria for potentially inappropriate prescribing in older people: version 2

DENIS O' MAHONY, DAVID O' SULLIVAN, STEPHEN BYRNE, MARIE NOELLE O' CONNOR, CRISTIN RYAN, PAUL GALLAGHER

*Age and Ageing* (2015) 44 (2): 213–218, <https://doi.org/10.1093/ageing/afu145>

The supplementary data for the published article listed above have been amended online to remove a criterion in

Appendix 3, Section G – ‘*Non-selective beta-blocker (whether oral or topical for glaucoma) with a history of asthma requiring treatment (risk of increased bronchospasm)*’ – which was originally included in error.

---

doi: 10.1093/ageing/afx179

### Supported Discharge Teams for older people in hospital acute care: a randomized controlled trial

MATTHEW PARSONS, JOHN PARSONS, PAUL ROUSE, AVINESH PILLAI, SEAN MATHIESON, ROCHELLE PARSONS, CHRISTINE SMITH, TIM KENEALY

*Age and Ageing* (2018) 47 (2): 288–294, doi: 10.1093/ageing/afx169

The title of the above article originally contained a typing error, with the word ‘hospital’ being repeated in error. This

has now been corrected in online and print versions. The authors apologize for this error.
