Older Cantabrians' Experiences of Living Through Multiple Crises and their Resilience and Ability to Age in Place

Kia ora, my name is Annette Tainui, and I am currently undertaking my Master's thesis in Psychology through Massey University. I am looking for older adults to interview for my research into their experiences living in Christchurch throughout the 2010/2011 Canterbury earthquakes and the 2020 COVID-19 pandemic and how their resilience and ability to age in place has been affected.

All information will be kept confidential, and participants will not be identifiable in the research findings. If you are interested in sharing your stories, please contact me by phone on [REDACTED] or email at r.gibson@massey.ac.nz. Participants will receive a \$20 grocery voucher in appreciation of their time and information.

- To be eligible you need to be aged 77 years or over, not have any cognitive impairments and have resided in the community in Christchurch since 2010
- You are welcome to participate along with your spouse, family member or friend, or have them along for support

Thank you for your consideration.
